Request for Confidentiality for VK6-IRU600V3

Aviat Networks requests according to FCC 47 CFR 0.459 that the following items are held permanently confidential and from public view:

Block diagrams
All schematic diagrams
Parts list
Operational description
Software security questionnaire

These items contain proprietary information that represents considerable investment on the part of Aviat Networks. Public disclosure of this information would be damaging for Aviat Networks due to the competitive nature of our industry.

A handwritten signature in black ink that reads 'R. French'.
